- 1:1 or Group Coaching
- Team building activities and Team Away Days
- Performance Management course
- Velocity Made Good bespoke workshops on: High Performance; Two Watches, One Boat; Crew; Best for Boat; Cargo, etc (please ask)

"Felt it was pitched at the right level for a small group with relevant activities. Felt that I learned a lot about team work in general and our team in particular. The personal report we were given was very useful. Felt it was one of the most enjoyable and useful training days I've ever been on."
